How To Order Costumes

Costume orders are due by October 1st. We will wear the costumes/uniforms for our Winter Show and Spring Show. You will see that most classes also have a maroon Just For Kix sequined t-shirt and a set of gold poms also added in their costume requirements. Those are for our mass performances, if your dancer is 2nd grade and up and is performing at halftime of the CSU Football Game then you need to place your order by September 6th! If you already have ordered them no worries, we actually use them every year and they can keep them and use them later.

When ordering costumes here is the rule of thumb I have used for 10 years and it seems to work great! There is a sizing chart when you are ordering and you can measure and order accordingly to sizing recommended.

Log Into your dancers account and go under the purchase uniform tab on the left.

Costumes-Order one size larger than street clothes size
Jazz and Ballet Shoes- Order 2 sizes larger than street shoe size

Hip Hop Shoes- Order one size larger than street shoes, they do not come in half sizes.

Tap Shoes-True to size

Hip Hop Jackets-True to size

Hip Hop Joggers-True to size

How To Order Costumes -Continued-

If you would like to have your dancer sized by staff rather than going off the above information please do the following:

Give a index card to your dancer to give to their instructor or hand the instructor the index card at drop off and please include:

Dancers Name-

Dancers Class-

What you would like sized (costume, shoes)

The instructor will then size the dancers during class time and give the index card back to the dancer.

When costumes arrive they are delivered to the studio and then separated by class. They will be given to the instructor to distribute at class time. You are able to track the progress of your order under your dancers account. If you look under order history you will be able to see if it is pending, or fulfilled and what date it was fulfilled on. Just a note, the date it was fulfilled on is not the date I will receive it. I get shipments sent to me every Wednesday and it takes until Monday of that next week until I receive that shipment.

Reminder that costume orders are due by October 1st!

What if my dancers shoes have not come in yet and I have already ordered?

No worries, dancers can wear socks until your dance shoes are ordered and arrive.

Sneakers can be worn for hip hop classes. Tap shoes can be ordered. If you have already ordered your tap shoes through JFK then I should have them soon. I have my first shipment arriving this Monday!

When you receive your dancers costume try them on right away and make sure they fit!

Exchanges can be done if time allows before show time! My suggestion after you make sure they fit and all is good, is to then hang them up in a safe place in the closet.

If you really want to be on top of it you can steam them and put them in a garment bag including tights and hair pieces that way they are all in one place and ready for show day!

COSTUME ORDERS ARE NOW DUE!

HALLOWEEN SHOW!

OCTOBER 26TH

AT JFK STUDIO

Join us as we enjoy performances by our younger dancers 2yrs old-1st grade! We will also have a candy walk event in the studio that our placement teams are hosting! A great event that is super fun for our entire studio!

[For Schedule Click Here](#)

The above schedule is a timeline of when your dancer is performing. Please arrive only a few minutes early as this is an event that is very popular and it will be a full house. We will start right on time for each time slot. It is very important that you are not late, as routines are only two minutes long. Being late will risk your dancer missing their performance. Account for parking, as you might have to park down the street a bit.
