The Just For Kix Dance Season

Our dance session is broken down into two parts:

September – December

The primary focus of the first few months of class is preparing the dancers for their season. Dancers will work on new technique, skills, strengthening, stretching and choreography. We use this time to lay a strong foundation for the season. Performances at this time of year are minimal and typically do not use the class uniform.

December – April

The uniforms are in and the dancers are ready to start performing. This is the time of the season where dancers get a chance to perform their routines while continuing to build on their technique and skills. The majority of our performances for the season will fall during these months. It is fun to see how students grow as dancers and performers during this part of the season. Older classes may also compete at Just For Kix competitions.

What to Expect From Just For Kix

- There are, on average, 32 classes in the season. Some programs do go to 36 classes.
- Depending on the location, classes will run for either 8 or 9 months.
- Tuition is based on the number of classes your dancer is scheduled to attend. You will get what you pay for.

Curriculum

Our goal throughout our dance program is two-fold:

1. To teach dancers proper technique, and to develop the strength and flexibility to perform these skills.
2. To introduce choreography and to work on movement and performing. Younger classes will be more choreography-based and will learn 3-4 dances per season. Older dancers will have more emphasis on flexibility, strength, skill work and performance. They will generally learn 1-2 routines per season.

* By giving us your check, please be aware that you are authorizing Just For Kix to make a one-time electronic debit from your account at the financial institution indicated on your check. This electronic debit will be for the amount of your check. No additional amount will be added to the amount.

EVENT NOTES

We Offer A No Distraction Environment

Over the years, we have found the most productive way to run classes is without distraction from parents and sibling in the room. We only have a short time each week, so every minute is important. Occasionally I will allow spectator in the last five minutes of class so you can see the progress we are making.
