

Hi!

Reminder pin making is this Sunday for those who are interested. See below for email that was sent out:

At Eden Prairie a few of our dancers were "pinned" by other teams. Dancers run around and secretly put a wood clothespin (with a motivational saying) on a dancers bag, clothes, in their practice spot, etc. Thought it might be fun to make some for nationals for those who are interested!

Date: Sunday, April 27th

Time: 1:45-2:45pm

Location: Studio

Items to bring: Some wood clothes pins, paint, stickers, etc. Anything to create your pin design!
