

Hello competition parents!

I have signed your child's class up for the TWD competition in Rochester April 6th-9th. I am so excited for this competition!

Full team attendance is important. If, for some reason, your dancer cannot attend a written note/email must be give to Victoria by Monday, March 13th. Please know that if your dancer is unable to attend - formation changes will have to be made and your dancer may be asked to practice out of formation in the weeks prior, while the team prepares for the event.

Teams competing consist of dancers in Just For Kix programs from all over the region. These competitive events have proved to be the highlight of the year for many teams. Please keep in mind the goal of these events is to provide our dancers with an opportunity to perform in front of a large crowd and share their talents with more people than just those in their community. It also gives our dancers an opportunity to meet other dancers involved in Just For Kix from a number of different communities and we all get the chance to cheer for one another.

It is a competition and teams will be awarded places, depending on the size of the category. Categories are determined by the JFK Home Office based on average age and size of the entire team. Every team cannot be in first place. We hope that everyone goes in with the attitude that "Doing your best is more important than being the best!" Sportsmanship must be a priority. We feel that the exposure to other groups will instill a harder work ethic and give dancers something to strive for. This will be a great opportunity for our dancers, I hope you make every effort to participate.

We were given an estimate on the times for the day. This is only an estimate and exact times will be sent home the week before but we hope this can help you plan. Like I said its just an estimate and I will have exact times the week of it should only be about a 2 hour time frame you will be there per class. With this large of a competition, things will probably change a little bit!
