Students	\$5.00	\$6.00	\$10.00

Dancers

- Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.
- Dancers should arrive at their designated location and time listed for their class on the back of this newsletter. There will be a dancer check-in area located next to the ticket center.
- Each class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- The Girls Locker Room will serve as a changing station only. NO parents will be allowed in the back stage area, unless cleared by JFK Staff. Dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- Dancers in both shows MUST be full of energy! Please provide your dancer with plenty of healthy snacks and beverages. As a surprise include a special note for them encouraging her to give it all she has!

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use both the student and facility lots across from main school entrance.

ADMISSION

Discounted tickets are available with presale purchases only. Remember you MUST have your pre-sale tickets available to give to door monitors! Single event tickets will be available the day of the show 45 minutes prior to show start time. As a reminder this event is open seating regardless of presale or day of show ticket purchase. The gymnasium will be cleared in between shows for rehearsal purposes.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix and Pre Petite (3-5years)dancers as well as families that have a member unable to climb bleachers. Reminder that the gymnasium will be cleared after the first show! There are NO reserved seats except for those marked by the director for videotaping and volunteers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. I ask that all families remain for the entire show to cheer on all dancers!

Applause is welcome during routines!!!If you see something you like while the team is performing, let them know. A dance performance is a fun and interactive experience.

AFTER THE SHOW

Our last number will be the Finale, "Count Your Blessings."All full year Kick dancers PreK-12th grade will participate in the finale. Following the Finale we will do a large JFK team photo in the center of the gym--ALL dancers should be in the "Family" Photo!

FINALE PROCEDURE

Tiny Kix and Pre Petite dancers will be excused to find parents in the crowd following their last routine to sit and watch the show. K-3rd will sit on the side in a reserved seating section to view show. The announcer will announce when PK-3rd dancers should prepare for Finale and return to back stage. Staff will help with this too :) 4th-12th grade will also prepare for finale back stage after Mini Combo number.
