

Roseville Just For Kix 2015-2016 Studio Information

Welcome, and thank you for your interest in Just For Kix. We are so happy you have chosen our dance program. Season runs September 2015 – May 2016; accepting dancers all season long!

Whether this is your first time at Just For Kix or you've been with us before, we guarantee you will not be disappointed. At Just For Kix our focus is on your kids. We teach dance in a positive environment in which your dancer will not only learn dance skills but also teamwork and other lifelong tools they will use far past when they hang up their dance shoes. Below is a brief start up overview to get you started. We will be handing out Newsletters, updating website, and sending Emails throughout the season to help keep you informed.

Studio Facility:

Studio Location: Real Life Church * 2353 Chatsworth Street N, Roseville, MN 55113

Studios: Enter drs facing Chatsworth Street N * Sanctuary: on R * Classroom: 1st L down hall, downstairs, on L

Dancer Arrival/Exit/Supervision:

- Enter/Exit: Dancers should not enter the Sanctuary/Classroom before class time. Your instructor will open the doors when ready for dancers to enter. Instructors have prep items that need to be completed and dancers will not be supervised before this time. We ask that parents of dancers in 4th grade and younger come into the facility and stay with dancers until class starts. This is for your dancers' safety, our ability to finish prior classes, and for the respect of our facility use. Parents of First grade and younger dancers should remain at studio during class.
- Start/End Times: Please be on time to pick up your dancer after class. For their safety and respect of our facility dancers 4th grade and under will not be allowed to meet you in the parking lot after class end. If you are in the last class of the evening, this is even more important. Thanks for being on time.

Messes, Theft, and Vandalism:

- Siblings: It is our hope that our dancers and their siblings will treat the studio with respect. Thanks for SUPERVISING siblings who are waiting during classes.
- Chairs: if taking out chairs for use during class these should be put back after use.

Dance Attire:

Appropriate dance attire is required for class. We want to provide every child the correct feedback and when they wear loose clothing, we may miss something that is important. We are strict about this, so please make sure you have a dance bag packed with extra options just in case they forget their clothes. Every dancer's hair must be pulled back in a ponytail. Dancers arriving to practice with hair down will be sent to put it up.

Core/Kick, Basics, and Jazz Classes:

- leotard/tight fitting top/may wear Tshirts as long as not too loose fitting
- dance shorts/bootleg yoga pants/leggings (no bootleg yoga pants for jazz)
- jazz shoes/ballet shoes/tennis shoes for warm up only

Hip Hop Classes:

- loose fitting is accepted
- tennis shoes required/hip hop boots

JFK Dancer Black Basics:

- Required: No Sleeve Black Leotard and Full Length Black Leggings (purchased anywhere)
- Dancers will be asked to wear black attire to practice the week of a performance/show with hair in a high bun and at other times periodically throughout the season.

Helpful Hints:

- Have a duffel bag, garment bag, or a container that is for your DANCE PERFORMANCES ONLY and another one for PRACTICES. Keep all supplies in appropriate bags. ALWAYS put items back when done
- LABEL all pieces of your costumes. This eliminates the last minute rush of lost shoes, socks, hair tie, etc.
- LABEL THE INSIDE OF SHOES. We find so many and will return if names are in them.

Attendance:

Please make an effort to attend as many practices as possible. We have had a few problems in the past with dancers missing practice but still attending the performances. Naturally, they do not know the routine as well and it also throws the numbers off. It is also important to attend performances faithfully. You owe it to your class. In dance team, we depend on each other. Of course, we all have other events in our lives and we are very understanding if you miss for a valid reason. It is also very important that you arrive on time for performances, as we just have a short time to re-number our routines. If you know that you will be absent or late to a performance, please let us know ahead of time.

Parents may observe class from time to time the last few minutes of class when called in by instructor. It is fun to watch the progress of your child. Remember to keep watching when they are older. They LOVE it!
