

## SDS COMPETITION MARCH 1ST & 2ND

We are looking forward to our first SDS Competition of the season!

**Music Check:** It is dancers responsibly to check their music on the iPads prior to their performance. I recommend doing this right away when they arrive. If music is not correct, it is important for them to notify the chute staff member ASAP.

**Practice Space:** Dancers can use the hallways to stretch/practice. There is no official practice location for SDS.

**Back Stage:** Dancers should enter back stage 4-5 routine numbers prior to their performance. The chute staff will check them in when they arrive and will tell them when to take the floor.

**Awards:** Awards are grouped together on Saturday. The SAME judges are judging on Friday & Saturday so the competition will be fair and equal.

Saturday Award Times in the Theater:

-All Junior/Senior 1:10pm

-All Wee/Mini 5:20pm

-All Middle 9:10pm

\*If your dancer will not be present for awards on Saturday please find a SDS dancer to attend in their place

**Routine Numbers:** Please make sure your dancer knows their routine number. They will need this for performance order and for awards.

**Changes:** Always compare our schedule to the master at the event. Sometimes SDS routine numbers change due to drops.
