Sept-Oct 2018 News:

Welcome to the TuTu Tots Academy! We are super excited to teach your dancer, all about it!

During the month of September your dancer will learn about a dancer Named Cici. She is going to help us teach your dancer how to Plie, Tendu, Chainne, find our spot, Point our Toes, and put our hands on our hips! We are also going to learn all five ballet positions! We will do many activities for warm ups that they think are games, but actually helps teach them different dance moves, how to move with the music, help them learn to listen to instructions in the music, and help teach them Right from Left.

In class each dancer will have a TuTu Tots Mat that will help them identify their spot and also aid in their learning of their routine. The mat will also help them learn how to stay spread out when they dance. If you would like to purchase a mat, it is an option under your dancers account under Custom wear. Then they can practice what they learn at dance at home, as well!

In the month of October your dancer will learn about a dancer named Nina. She is going to help us teach your dancer how to do the Pike Stretch, Butterfly Stretch, Straddle Stretch, Releve, and Bourree. We will also continue to review and work on all five ballet positions.

Uniform orders are due by September 24th to ensure they are here for the Winter Show on December 2nd! Let me know if you need to have your dancer measured for a uniform and shoes.

We have our first performance on October 12th at Morning Side Heights at 4:45 PM. Please arrive with your dancer in their Halloween costume (just no masks, we want them to be able to see their face) or a designated outfit (Pre-Petite - Werewolf - Grey shirt and pants, Wee Petite I - Pumpkin - orange shirt with black pants, Wee Petite II - Green shirt and pants, Wee Kix I - Purple People Eater - Purple shirt and pants, Wee Kix II - Dracula Outfit (Black Shirt with black pants & a cape if they want)) for their class by 4:30 PM. We will line up all the dancers in the chapel, then lead them into the cafeteria to perform, then lead them back into the chapel after performing. Once they have performed, they are free to leave with you. Morning Side Heights is located next to the hospital. You would walk in the doors under the big canopy that states "Morning Side Heights", take a left and get on the elevators to go down one floor, then take a left out of the elevator and follow the signs to the Chapel.

We have 2 preschool camps that are open to 3 year olds thru 1st grade in September & October. The first one is a Mermaid theme on September 15th and the second one is a Vampirina theme on October 13th! They are both from 9:30 to 11 AM at the church. Be sure to register for the camp before it is full!

If you have any questions, please let me know. You can reach me at marshall_mn@justforkix.com or after class. --Melissa Rutledge

Tip:

Always go to the bathroom BEFORE class.

QUOTE:

Our dance teacher says...
You get what you get and
you don't throw a fit.

Desiree... is a determined and confident girl. She always comes to class ready to learn. Desiree is a hard worker and loves to perform the routines and skills she learns in class.

Abigail.. gets a little ambitious and boistrous at times. Especially when she gets to go to dance class! She looks forward to seeing all of her friends and doing something that she loves to do, dancing and working on her dance moves.
