# Sept-Oct 2018 News:

I am so excited to have your tiny dancer with me this year! We will start our class structure routine and begin working on our first routines! Come ready to listen, play, and dance!

Be sure to order your TuTu Tots Mat if you haven't done so!

Please remember to have your child use the restroom before class so they don't miss out on anything during class! I hate to have a puddle, but when one has to go, they ALL have to go!

Remember to come in to pick up your dancer from class. The parking lot gives me nightmares. Arrive no more than 5 minutes before class so everyone gets their full time in class without distraction. We like to "show off" during the last 5 minutes of each class-you are welcome to come in then!

PLEASE sign up for the Remind texts from me and follow our Garrison JFK on Facebook! I will send out frequent reminders via texting so you will miss out on important information if you don't sign up.

Remember that payments are due by the 1st of each month. Signing up for recurring payments is the easiest way to be sure your child can participate in classes.

Halloween Mini-Show October 28 at 6 PM: This is a performance opportunity very early in our dance season! It is just for fun, held in our elementary gym. We will have combined classes for groups before the performance. Wear your Halloween costume or a Halloween-themed outfit for this performance. Some young dancers get very nervous for their first time performing in front of a crowd, and some are so excited they don't want to leave the stage! Both are normal, and it is also normal for them to do the routine perfectly and follow the instructor OR twirl and play with their costume and appear to have no interest in the song's routine at all! They are fun memories either way! We are all about FUN, so just enjoy!

## QUOTE:

Our dance teacher says...  
You get what you get and  
you don't throw a fit.

**Desiree...** is a determined and confident girl. She always comes to class ready to learn. Desiree is a hard worker and loves to perform the routines and skills she learns in class.

**Abigail..** gets a little ambitious and boistrus at times. Especially when she gets to go to dance class! She looks forward to seeing all of her friends and doing something that she loves to do, dancing and working on her dance moves.
