Messes, Theft, Vandalism

Renting a facility is a privilege. Please treat the practice and performance space as if it were your own! We are all judged by the actions of a few; therefore, Just For Kix has no tolerance for disrespecting others' belongings or property. We recommend leaving valuables at home.

Supervision

Dancers are supervised during their regular class time. Although we may have several classes the same day, during the time prior to and after the class you will need to watch your children. We want them safe.

We Offer A No Distraction Environment

Over the years, we have found the most productive way to run classes is without distraction from parents and siblings in the room. We only have a short time each week, so every minute is important. Occasionally I will allow spectators in the last five minutes of class so you can see the progress we are making.

Online Access to Your Dancers Account Is Easier than Ever!

Now you have online access to all of your dancer's pertinent information for classes, payments and uniforms.

THE JUST FOR KIX DANCE SEASON

Our dance session is broken down into two parts:

September – December

The primary focus of the first few months of class is preparing the dancers for their season. Dancers will work on new technique, skills, strengthening, stretching and choreography. We use this time to lay a strong foundation for the season. Performances at this time of year are minimal and typically do not use the class uniform.

December – April

The uniforms are in and the dancers are ready to start performing. This is the time of the season where dancers get a chance to perform their routines while continuing to build on their technique and skills. The majority of our performances for the season will fall during these months. It is fun to see how students grow as dancers and performers during this part of the season. Older classes may also compete at Just For Kix competitions.

WHAT TO EXPECT FROM JUST FOR KIX

- There are, on average, 32 classes in the season. Some programs do go to 36 classes.
- Depending on the location, classes will run for either 8 or 9 months.

UNIFORMS

Uniform orders are due at registration. If you have not ordered your uniforms, please do so immediately.

If you still need to order your uniform:

Uniforms need to be paid in full before the order is placed. Some uniforms may take 8-12 weeks from the order date to arrive, so all will not be guaranteed delivery prior to the winter show. Many ordered in the Spring for that reason.

If you have received your uniform:

Try it on right away. If the sizing is not correct, please follow the instructions on the back side of your uniform invoice on how to handle uniform exchanges. We can make an exchange as long as the uniform has not been worn or damaged. Tights can only be exchanged if they are unopened.

CURRICULUM

Our goal throughout our dance program is two-fold:

1. To teach dancers proper technique, and to develop the strength and flexibility to perform these skills.
2. To introduce choreography and to work on movement and performing. Younger classes will be more choreography-based and will learn 3-4 dances per season. Older dancers will have more emphasis on flexibility, strength, skill work and performance. They will generally learn 1-2 routines per season.
