

Happy September!

Happy back to school week! I hope you all have a great start to your school year. 😊

Monthly Emails

Be sure to check your email the 1st and 20th of each month! This is where you will find mass information, schedules, monthly calendars!

Band

Each age group has one Band group this year. So if your dancer is in a class that starts with the word mini you would join the Mini Classes Band! This is where I will post more class orientated information, such as videos/pictures from class, and anything that is specific to that age group!

Costumes:

If you need any help with sizing please let me know, and I will do my best to help!

Here is a video that breaks down how to size: [Costume Sizing](#)

You want the costume to fit more like a swimsuit and for the shoes to fit like a sock. A lot of times dancers will say it feels too tight, but that is how the shoe is supposed to fit!

Uniforms need to be ordered by September 30th

Returns/Exchanges

As costume items keep coming in, be sure to try things on right away. If a return/exchange needs to be made, please fill out the green sheet that comes with your item. I will send returns back for you until December 1st!

What to wear to practice:

After getting a couple of practices under our belt - I HIGHLY suggest your dancer wears a sneaker/tennis shoe to class and brings their dance shoes in their dance bag. The floors we are on can be slippery so being able to switch between the two will be very helpful!

Click on the link below to see what to wear to practice! If you don't have dance shoes yet, that is totally fine, sneakers are great!. Please remember to have your dancer come with their hair up, buns are great for practice.
