Monthly/Upcoming News:

Welcome to the New Tutu Tots Academy! We are super excited to teach your dancer, all about it.

During this month your dancer will learn about a dancer named Cici. She is going to help us teach your dancer how to Chasse and do Tendu. We are also going to teach them the first position of ballet! We will do many activities for warm ups that they think are games, but actually helps teach them different dance moves, how to move with the music, and help teach them Right from Left.

In class each dancer will have a TuTu Tots Mat that will help them identify their spot, but also help in their learning of the dances. The mat will also allow for them to help learn to stay spread out when we dance. I have added this item as a optional purchase to the uniform order, if you would like to purchase one to keep at home. Then they can practice what they learn at dance at home as well!

If you have any questions, please let me know. You can reach me at marshall_mn@justforkix.com or after class.

PARENT TIP: We will let you in on a secret...many of the skills and tasks we need to learn are cleverly disguised as "GAMES." It's a win win. Just for Kix has created games that double as activities to foster creativity, help kids listen and remember! You will be amazed at the increased participation and confidence as the year goes on.
