Dancers

- Dancers should arrive 30 minutes prior to their show, dressed in their costume with hair done.
***See the specifications for each class in this newsletter.*
- Each class has a staging area to report to. If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag.
- Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the dirt parking lot across the street if necessary.

ADMISSION

There is no admission for this seasons Spring Show. Thank you to all of my students and their families for your support.

SEATING

We will have a full crowd, but there will be enough seats for everyone. With this in mind, please keep your invites to close family, due to the limited availability of seating.

Thank you.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale' which encompasses all classes P-12th. Dancers will be dismissed following the performance.
