Dancers

Dancers should arrive **at the specified times in this newsletter**, dressed in their costume with hair done. *See the specifications for each class in this newsletter.

They are welcome to stay after their dress rehearsal times to watch the next groups, but should be reminded to sit quietly and watch as to not distract others from their practices. Rehearsals are not closed, and parents are able to stay as well if you need as it does not bother me as long as you also are quiet and not a distraction to the group.

Tiny Kix: Bring Tutu Tots Mats to use during performances (it helps them hold their spots so well!)

No poms are needed for the spring show for K-6.

Light Show Participants: Wear dark colored shirt and pants and no light-up shoes. If you are a dancer in a different routine first, have a shirt and pants you can put on quickly over the top of your uniform for the light show routine immediately before we perform.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the parking lot by the High School gym and the street if necessary.

ADMISSION

There will be a free will donation taken for our local benefit happening the same day for Terry Vandal, in case you are unable to attend that benefit due to scheduling of both events on the same date.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix (3-4yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the light show. All of our lights will be off at this time and the gym will black out for a little more than 2 minutes. We will turn lights back on quickly upon completion of the routine. Our dancers will sit with their families before and after their performances. Please help them to stay quiet and cheer during other performances to support the other teams.
