Dancers

Dancers should arrive **30** minutes prior to their show, dressed in their costume with hair done. *See the specifications for each class in this newsletter.

Each class will have a spot in the hallway. If dancers have multiple costume changes they will change in the bathroom across from the gym.

Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use all the parking around the building.

ADMISSION

Remember to have your pre-sale tickets available to give to the door monitors. If you are getting tickets at the door you can line up at the ticket table to get the tickets you need.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Teeny Kix (3-4yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale' which encompasses all classes K-12th. Our staff will stay on the gym floor with the PreK-3rd grade dancers until parents come down onto the floor to pick them up. Older dancers are free to meet their parents in the bleachers after the finale'. Make sure to arrange a meeting place prior to dropping your dancer off.
