## *Dancers*

1. Each Class has a staging area to report to. Dancers should check in at the dancer check in area, head to their staging area and report to the gym at their designated time (listed on back of newsletter). EARLY is ON TIME, ON TIME is LATE!!! If dancers have multiple costume changes, it works great to use a laundry basket to organize, rather than a bag. Please LABEL ALL uniform items!!!
2. Once dancers are dropped off at their staging area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor at anytime.
3. The Girls Locker Room will serve as a changing station ONLY.
4. Dancers need TONS of energy - pack snacks and beverages for entire day!!!

## What to Expect

### PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the student and faculty lots across from main school entrance.

### ADMISSION

Discounted tickets are available with presale purchases only. Remember you **MUST** have your pre-sale tickets available to give to the door monitors. Single event tickets will be available the day of the show 45 minutes prior to show start time. As a reminder this event is open seating regardless of presale or day of show ticket purchase. The gymnasium will be cleared in between shows for rehearsal purposes.

### SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Preschool dancers (2-5yr olds) and families that have a member unable to climb in the bleachers. Reminder that the gymnasium will be cleared after the first show! There are **NO** reserved seats except for those marked by the director for videotaping and volunteers.

### DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. I ask that all families remain for the entire show to cheer on all dancers!

Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

### PRESCHOOL -3rd grade SHOW PROCEDURE

Preschool dancers will be dismissed to sit with parents after their routine. We ask that you send them out for the group photo after the Finale.

K-3rd dancers will exit to staging area post their performance to put their Finale shirt on. They will then sit in the bleachers to watch the show. They will be excused by the announcer when it is time for the big Finale!

### AFTER THE SHOW

Our last number will be the finale' which encompasses all full year classes K-12th. Make sure to arrange a meeting place prior to dropping your dancer off. Following the Finale **ALL** dancers including Preschool will be in a JFK team photo -- this is a tradition for us and so fun to see our dance FAMILY grow!
