

Happy Spring!

We are on the home stretch for the 2024-25 dance year. We have four weeks remaining with these amazing classes and we are so excited for our final production of the year, "Here Comes The Sun" as well as our final competitions with our competition teams.

Included in this email are **important details on our final events of the year**, so please read through this carefully and mark your calendars with your dancer's applicable dates and times. I appreciate you taking time to read through the information. As always, please call or email with any questions you might have.

With Kix,
Heather

IN THIS ISSUE:

1. Remaining Class Schedule
2. Class Attendance
3. Spring Show
4. Spring Show Rehearsal
5. Spring Show Tickets
6. Father/Daughter Dance
7. Tights?
8. 2024-25 Registration
9. Summer Classes

1. **Remaining Class Schedule.**

We will be going straight through, without break, until we conclude our curriculum year with our Spring Show on May 18th.

- Our last week of classes is the week of May 11th.
- Our spring show is Sunday, May 18th.

2. **Class Attendance.**

All of our classes are continuing to work on skill development and choreography in preparation for our end of the year events.

- Classes grades PreK-5 are all learning new choreography, so attendance is very important in order for them to be prepared and ready with their class for the spring show!
- Each minute of class is important! We appreciate everyone being on time through these last four weeks.
- Our competition teams still have Nationals coming up so **attendance at class is important**. When someone is missing, the dancers that stand next to them aren't able to practice in "full out" mode

because of adjustments they need to make. We don't have a "bench" to go to when a player is missing so each team members is a valuable and essential piece to the success of the team.

3. **Spring Show.**

We are again scheduling our spring show in a three-show format. Holding three shows will provide a better experience for our audience. More seating capacity as well as the length of time sitting in the gymnasium. I have grouped classes very similarly as last year, looking at age groups first and then doing my best for sibling alignment. Please know that I do look at what is aligned and what is not, but with our growth to three shows, and needing to align certain ages, we may not be able to accommodate all siblings into the same show.

Show Date: Sunday, May 18

Location: Two Rivers High School - 1897 Delaware Ave, Mendota Heights, MN 55118

Times: 1:00pm, 3:30pm and 6:00m

Show Assignment: [Click here to see which show your dancer will be performing in.](#)

4. **Spring Show Rehearsal.**

All dancers, with the exception of Tiny Kix (4 year old classes) and Teeny Kix (3 year olds), must be in attendance at the rehearsal on May 17th.

Rehearsal Date: Saturday, May 17

Location: Cedar Valley Church – 8600 Bloomington Ave S, Bloomington (enter door #10)

Times: 10:00-11:30am; dancers can start arriving at 9:45am

What to wear: Dancers in grades K-7 should wear their kick costume to rehearsal. If they are not in kick they should wear their hip hop costume. Dancers that wear black pants, can substitute black shorts for rehearsal. They do not need to wear their tights; please save them for show day! They do not need to have their hair show ready.

Dancers in grades 8-12 (and Starlites) should wear all black (black shorts are fine).

5. **Spring Show Tickets.**

Tickets are now available for purchase at a presale discount. I'm happy to let everyone know, pricing will be the same as last year!

- **Deadline to preorder tickets is Sunday, May 4**

- Performing dancers do not need to have an admission ticket, this includes "dads" that are participating in the father/daughter dance.

- Tickets will also be available to purchase on site, the day of the show.

- Senior pricing is the same either presale or day of the show (with the exception of the full day ticket).

- If you have more than one dancer and are assigned to multiple shows, or if your dancer is in multiple shows and you plan to attend all of them, you need to purchase a ticket for each show.

Ticket	PreSale	Day of Show	Full Day/Multi*
Adult	12	15	25
Student	10	12	20
Senior	10	10	20
5 and under	free	free	free

*Full Day ticket will provide admission to all three shows and is only available as a presale ticket.

[CLICK HERE TO PURCHASE TICKETS FOR OUR 2025 SPRING SHOW.](#) **PLEASE** make sure to purchase tickets for the correct show time!!

6. **Spring Special Classes.**

Father/Daughter – We have a handful of openings left; register today if you are hoping to participate.

Class: Friday, May 16 - 6:00-8:00pm, and

Saturday, May 17 – 9:00-9:30am

Participants will learn a partner dance to perform at our spring show. You don't have to be a dad, we welcome anyone that loves and cares for our dancers! We've had grandparents, friends, brothers, uncles, moms, etc. It is a great way to create a special memory with your favorite dancer. Registration should be completed under the JFK dancer's name. If siblings are dancing, each one needs to be registered. This class is open to families that have a dancer in grades 2-12.

[Click here to register for Father/Daughter 2025](#)

7. **Tights?**

Does your dancer need new tights for the spring show? You can always order them online through your dancer's account. www.justforkix.com/danceclasses

Choose "Purchase Costumes" and the items for their class will come up.

8. **2025-26 Registration.**

I am finalizing the class schedule and details for the 2025-26 dance year. My goal is to have registration information out tomorrow (Friday). Registration is scheduled to open Wednesday, April 23. To ensure you are able to get in to the class you want, I recommend registering right away!

9. **Summer Classes.**

Summer curriculum is coming soon! We should have the details ready to go by the end of next week.
