THANK YOU...

Thank you to everyone who helped make this season and show a success! To our parents, thank you for your endless support and dedication. We know the early mornings and long show and competition days are not easy, yet you continue to cheer us on from the stands every step of the way! Thank you for giving the Elko New Market JFK coaches the opportunity to grow along side your dancer this past season.

To our spectators, thank you for attending today's show and for celebrating the hard work and passion of our dancers!

We look forward to dancing with you this summer and next season!
