I appreciate you taking time to read through the information. As always, please call or email with any questions you might have.

1. **April Tuition.**

Your April payment is your final payment of the year, woo hoo! If you haven't already done so (and if you're not on AutoPay), please log in to your account to make your payment and you can check this off your list. www.justforkix.com/danceclasses

2. **Remaining Class Schedule.**

We will be going straight through, without break, until we conclude our curriculum year with our Spring Show on May 5th.

- Our last week of classes is the week of April 29th.
- Our spring show is Sunday, May 5th.

3. **Class Attendance.**

All our classes are continuing to work on skill development and choreography in preparation for our end of the year events.

- Classes grades PreK-3 are all learning new choreography, so attendance is very important in order for them to be prepared and ready with their class for the spring show!
- Each minute of class is important! We appreciate everyone being on time through these last six week.
- Classes grades 4-12 (competition teams) still have competitions coming up so **attendance at class is important**. When someone is missing, the dancers that stand next to them aren't able to practice in "full out" mode because of adjustments they need to make. We don't have a "bench" to go to when a player is missing so each team members is a valuable and essential piece to the success of the team.

4. **Spring Show.**

We are again scheduling our spring show in a three-show format. With the number of spectators we had at our winter show, holding three shows will provide a better experience for our audience. More seating capacity as well as the length of time sitting in the gymnasium. I have grouped classes very similarly as last year, looking at age groups first and then doing my best for sibling alignment. Please know that I do look at what is aligned and what is not, but with our growth to three shows, and needing to align certain ages, we may not be able to accommodate all siblings into the same show.

Show Date: Sunday, May 5

Location: Burnsville High School

Times: 1:00pm, 3:30pm and 6:00m

Show Assignment: Click here to see which show your dancer will be performing

5. **Spring Show Rehearsal**

All dancers, with the exception of Tiny Kix (4-year-old classes) and Teeny Kix (3-year-old), must be in attendance at the rehearsal on the 4th.

Rehearsal Date: Saturday, May 4

Location: Eagle Ridge Middle School - 13955 Glendale Rd, Savage, MN 55378

Times: 10:00-11:30am; dancers can start arriving at 9:45am

What to wear: Dancers in grades K-7 should wear their kick costume to rehearsal. If they are not in kick they should wear their hip hop costume. Dancers that wear black pants, can substitute black shorts for rehearsal. They do not need to wear their tights; please save them for show day! They do not need to have their hair show ready.

Dancers in grades 8-12 should wear all black (black shorts are fine).

Participants will learn a partner dance to perform at our spring show. You don't have to be a dad; we welcome anyone that loves and cares for our dancers! We've had grandparents, friends, brothers, uncles,

moms, etc. It is a great way to create a special memory with your favorite dancer. Registration should be completed under the JFK dancer's name. If siblings are dancing, each one needs to be registered. This class is open to families that have a dancer in grades 2-12. Click here to register:
