**Summer Development 6-8: Tuesdays 7:00-8:15 @ PORT / Thursdays 6:15-7:30 @ STO

LOCATIONS:

We are utilizing the Studio Time Out space as much as possible for our technique classes. This means most classes are sharing/splitting time between Portland Ave United Methodist Church and Studio Time Out. The first location listed will be the first night of the week location; the second location listed will be the second night of the week location.

The registration system only allows for one location to be listed so it will show the first night of the week location only.
