

Monthly Newsetter

Happy New Year! I hope you all had a wonderful winter break. I spent most of it with the worst stomach flu, even missed out on celebrating Christmas because of it. NOT a fun break for sure.

I am so ready to get the second half started. I feel like I can take a huge breath of relief after our first big show. Now is the time we get new routines going and kick off competitions. Make sure your 2nd-12th graders are practicing with our BAND app

Pictures

You have all been sent a separate email with picture times and dates. Please look through them and if something does not work for you let me know ASAP.

Gavin Ward is doing our pictures this year, any big questions on pictures I would suggest going to him. I will answer what I can! He will also be sending out the order forms via email soon. Keep an eye out for that.

Class Viewing Windows

Just a reminder as we move into the new year, we will be opening the blinds the last 5 min the last week of classes every month.

You are still welcome to sit in the lobby during classes! We just won't open blinds besides the last week.

Private Lessons – SDS

We will be opening up private lessons next week for those in Solo, Small Groups and Duets. If your dancer missed the fall sessions they can join in on these! It is open to 2nd - 12th grade. These are not lessons to work on building skills, these are only to work on their routines. There will be skill based private lessons this summer!

Returns, Exchanges, Missing Uniforms

Returns/exchanges are still taking a bit as things wind down they will start going much faster. If you are still missing any uniform items let me know ASAP and I will let the home office know.

January Important Dates

- Jan 4th - Thursday Classes start again
- Jan 8th - Monday classes start again and 6th-12th grade pictures
- Jan 9th - Tuesday classes start again and Preschool-5th grade pictures
