# Monthly Newsletter

Month one FLEW by! Thank you everyone for a great first couple weeks of practices. There have been so many bumps in the road but getting through everything! Thank you so much for being patient and understanding I appreciate it A TON.

Please take the time to read through everything and let me know if there are any questions.

## Class Fees

Class fees are billed into your accounts on the 1st of each month. After the 10th of the month there is a non returnable \$10 late fee. The easiest way to take care of fees is signing up for autopay on your account. Then you don't have to worry about missing any!

If for any reason you cannot pay with a card we will take cash or a check as long as it is given to coaches by the 5th of the month. All checks made out to Just For Kix.

## Social Media Contest

Social media has taken over on being our best form of getting new dancers. Each month we will be doing a contest, any time you share a post or suggest our program you will get one entry into a drawing. I will announce the winner of each month in the monthly newsletter.

Be sure to follow us on Facebook and Instagram!

## Uniforms

Uniform orders are due BY OCTOBER 10th. If you do not order by then I cannot guarantee they will make it by the Winter Show. To order, log into your account under the uniforms tab you will find everything required for your dancer this season.

Dream Team and Elite Hip hop uniforms: I am working with JFK to get custom shirts made. These should be available soon to order!

Male dancers: They have added options on for the boys in our program. You should see items under the uniforms tab now.

## Returns and Exchanges

Uniforms are in high demand. Please keep in mind the home office is dealing with over 30,000 families with countless uniforms. If your child's uniform or shoes do not fit please follow the instructions on the green sheet for an exchange or return. Once that is filled out drop off the the studio and I will send back when we have a full box.

You can also send these back on your own and it'll be MUCH faster but you have to pay for shipping. Save a few \$\$ and just bring them in for me to send back. It does take a while to process but worth saving you the time and money!
