

TOGETHER WE DANCE

Richfield/Bloomington 2018

All of our teams in grades 4-12 (and Twinklers jazz) participate in the annual Together We Dance competitions hosted by Just For Kix. This is something our dancers look forward to each year. Both dancers and instructors take much pride in the tradition of excellence the Richfield/Bloomington program has established over the past 16 years and we are looking forward to another great season.

On the back side is the registration information for our 2018 competition season. Please read through the information thoroughly with your dancer and let us know if you have any questions.

Our dates are listed on our Year At A Glance calendar, but we felt it important to confirm schedules. Please note these three important items:

- ☆ Practice - Your dancer must make every effort to be at class every week. Your dancer should also be practicing their routine at home on a regular basis. Attendance at practice the week prior to each competition is mandatory.
- ☆ Performance - Our show on February 24th is an integral part of your dancer's preparation for her competition. As such, we need all dancers in attendance at this show.
- ☆ Unlike other sports, our coaches don't have a "bench" to go to if we have a player missing. Dancers that are unable to attend create a hole in our routines and formations, and need to be planned for. Our expectation is that all dancers will be participating in all of their competitions.

Please return the bottom portion of this form to your dancer's instructor. Please return your form no later than **January 18** so we can plan accordingly.
