## Welcome to the Streator Just for Kix Program

Hi everyone and thank you for choosing the JFK program. My name is Lori Cinnamon and I am the Director/Coach and I along with my staff couldn't be more excited about our new season starting. It's going to be an exciting year of learning and fun. We are confident you will LOVE our program

We are located in the former Oakland Park School building which is now the Church of the Open Bible at 701 S. Sterling St.

We will be on the 2nd floor for all Tiny Classes.

**What should we wear?** Tiny Kix dress code will be black leotard, tights and ballet shoes. Dancers will wear the ballet shoes that are on the uniform list but can wear clean tennis shoes until they arrive. I suggest not using show tights for class and ordering 2 pairs for shows. One pair for class and one pair for performances. You may purchase your dance wear at any store or through Just for Kix.

**Hair-** Dancers' hair should be in a high dance bun or pony with hair pulled out of their face.

**When do I need to order the costume?** Deadline to order costumes will be September 22nd. All costumes and shoes can be returned for a full refund as long as they have not been worn, don't have an odor and are in the same condition as you received it. We will take care of all returns and exchanges of uniform/shoes/tights. (note tights cannot be returned if the package is opened).

**What size should I order?** For skirted leotards order 1 size up from their t-shirt size. We will be sizing shoes on the first night of class if you have not ordered.  
**Can I order my shoes/tights off Amazon?** I know it is tempting to order shoes off Amazon but those shoes are usually the ones that don't pass the quality check. The color could be off, sizing is not correct or leather is peeling. Please order from the options listed under the uniform/costume tab.

**What if I want to change the class we signed up for?** You can drop from one class and sign up for another on your dance account. If you ordered a costume for that class we will return it for a refund and then you will need to go in and order the correct costume.

**Can we stay and watch class?** We offer a "no distraction environment" for our dancers. Dancers are easily distracted and we find that they learn much better when they cannot see or hear mom/dad/siblings etc. If your dancer struggles leaving you please contact me so we can make a plan before classes start. .

**Drop off-** All Tiny classes will enter through the back doors. You will go up to the 2nd floor to drop off your dancer. You are welcome to stay out in the hall or come back at the end of class time.

**Pick Up-** Please arrive at the end of the class time. The 30 minutes is jam packed with instruction and fun so no need to come back early. The class assistant will bring the dancers out to the hallway while the Head Instructor will gather the next class to come in.

**POTTY POTTY POTTY-** This may be one of the most important things to remember. Please make sure the dancer uses the potty before leaving home or before the start of class. Please let us know if your dancer is a "chronic potty visitor". I tell them to hold it like when they are in the car and Mommy isn't at Target yet 😊

**Bathroom Location-** There is a private potty in the back room on the ground floor or a girls bathroom is located upstairs on the 2nd floor.

**Communication-** We pride ourselves on good customer service and would love to discuss any comments, concerns or questions you have outside of dance nights and during business hours. Our focus on dance night are the dancers and their instruction which doesn't allow us to give your needs the proper attention. Whatever your needs are, I am here to help, so please shoot me an email and I will contact you the next day.

**Band Groups-** Most of our communication to parents will be posted on the BAND class. It is so important to make sure you have joined your group and turned on your notifications

**Performances-** We have scheduled all our performances for the season. We love that our program doesn't just build strong dancers but also amazing little performers. We do that by performing several times a year
