

EXPLANATION OF PRESCHOOL DANCE CLASSES

Welcome to the crazy world of dance.

It can be very confusing when you first start, so I thought I would answer the most frequently asked questions. At anytime, if you have a question, please give me a call.

WHAT IS THE DIFFERENCE BETWEEN THE ALL YEAR CLASSES AND SPECIAL SESSIONS?

The difference between full year and the shorter sessions this. The full year is 32 weeks of instruction while the special sessions are shorter. The shorter session that we offer is a hip hop and pom focus versus our traditional kick/jazz. It is a different style of dance. A lot of our full season dancers add the special session class on to learn a new style and have fun dancing to hip hop and pom songs.

COSTUMES

Each class has one costume. Our special session will use the same costume for both Winter and Spring Sessions.

SHOWS

We will perform at least 4 times throughout the year. Typically these performances include Halloween Show, Winter Show, Valentines Show, and a Spring Show. Our shows will have admission fees for each one. This helps to offset the costs associated with renting the facility and having staff there.

HAIR/MAKE-UP

Hair and make-up requirements will be sent with each show newsletter in email and posted on BAND. I do have pictures available to help you with this. Some dancers love getting dolled up for their recitals and some don't. Pre-School dancers are only required to wear blush and lipstick. The lipstick is posted on the site with the uniform. Blush can be any shade of red/pink.

COMPETITIONS/SDS

These do not apply to you however, you may see them noted in our newsletter. These are for our older competitive dancers.
