

## **Just For Kix Bismarck North Uniform and Shoe Ordering Information**

Uniform orders are due by the second week of class. Uniform orders can take 8-10 weeks to arrive. The first performance for some classes is the week before Thanksgiving. If your dancer is joining us after September, please order your uniform ASAP and Just For Kix will do all they can to get it here in time for your first performance; however, we cannot guarantee that it will.

### Exchanges/Returns

- Uniforms are fully refundable if not worn or damaged.
- Once you get an item, try it on right away and make any exchanges as quickly as possible.
- DO NOT TRY ON bras or tights because they cannot be sent back for exchanges or refunds if the package has been opened. Please check the sizing chart on the back before opening.
- TO EXCHANGE OR RETURN AN ITEM, fill out the form on the back of the invoice. You can either send it back to the home office yourself by following the instructions on the back of the invoice OR give the item(s) and invoice to your instructor. Keep any items that fit. I can send the item(s) back to the home office on your behalf. You are encouraged to send these back on your own to expedite your return. Just For Kix is phasing out director returns, so this option will not be available next season.

### How to order

- Login to your student account at <https://classes.justforkix.com/>
- Click MY CLASSES
- Click the CLASS NAME
- Scroll down to the uniform items
- Dancers need all items that are marked required.
- Uniforms are shipped to the program director and handed out at class.

### Uniform Sizing

- Youth sizes: 4, 6, 6-7, 8, 10, 12, 14
- Adult sizes: XS, S, M, L, XL, XXL, XXXL
- Just For Kix uniforms run about one size smaller than street clothes.
- The best way to know what size your dancer needs is to be fitted with a try-on uniform. There are also sizing guides online.

### Tights sizing

- Youth sizes: 2/6 or 8/12
- Adult sizes: S/M or L/XL
- Just For Kix tights run about the same as your regular pants size.
- Tights cannot be exchanged if the package has been opened.

### Shoe Sizing

- Ballet and Jazz shoe styles come in whole and half sizes.
- Jazz shoe sizes jump from 1.5 to 4 (there are no size 2 or 3 jazz shoes).
- Dance shoes sometimes don't fit the same as street shoes, so the best way to know what size to order is to try on a sample.
- Dance shoes should fit like a glove; however, we prefer to size  $\frac{1}{2}$  to 1 whole size big to allow for growth during the 8-month season. Dance shoes will stretch a bit and form to the foot over time.
