Dancers

Dancers should arrive prior to their show at time listed on back, dressed in their costume with all parts and with hair done. It is up to you how you'd like to showcase your dancer's personality with their hair. I am not a fan of makeup for little girls so it is not required, but if you choose to have your child wear it or if she typically wears some makeup, that is fine with me.

Uniforms & Details

All parts of your uniform should be worn: tights, shoes, hair pieces, arm bands (if applicable). You do not need Tutu Tots mats or poms for this show.

Pre-Show Practice Information: We will practice a little before the show at the times below. We will NOT wait for late arrivals. If dancers arrive late, they are expected to join right in! Parents are always welcome to stay during our practice before the show as long as you are not distracting to the dancers. Please do not talk and silence your cell phones. Thanks! Students are welcomed to stay after they are finished with their practice while they wait for the next group(s) to practice, but they will not be supervised and will be expected to be quiet and not distract the dancers on the floor. If you anticipate this could be an issue, please stay with them and take them to the lobby to wait until the show is almost ready to begin. Thank you for your kind cooperation with this matter!

Light Show Routine Participants: Arrive for a practice at 3:00. Bring dark clothing to put over your regular uniform if you perform in a dance group, or wear dark/black pants and shirt. We will run through the routine a few times to be familiar with the gym compared to the elementary gym. This practice will be from 3:00-3:30.

Mini Kix (Grades 4-6): We will run through your routines at 3:30-3:40. Be ready.

Wee Kix (Grades 2-3): We will run through your routines at 3:40-3:50. Be ready.

Petite Kix (K-1): We will run through your routines at 3:50-4:00. Be ready.

Tiny Kix (PreK): We will NOT practice your routines. You may come to the gym floor to your spots at 4:20. You do NOT need your Tutu Tots mats for this performance!

We will take a group photo of all of our dancers before the show at 4:20, and then start our show promptly at 4:30. Please sit with your families until I call groups down to get lined up for the photo, and then go back to sit with families until it is your turn to dance. If you are not here at 4:20, you will miss the group photo and I will be sad! Do your best to be on time!

What to Expect

PARKING

There is more than enough parking available if you use parking lot by the gym and street parking.

ADMISSION

Free-Will Donations are appreciated as admission. We will be giving this to a local charity or family as we are able. You can enter the gym via the south doors to the high school. There are some stairs to go down but the lift is functioning if accessibility is an issue for any family members or friends.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience. Dancers will sit with their families unless they are performing.

AFTER THE SHOW

Please feel free to take photos of each other using the backdrops available to commemorate our show. Mrs. Fuller is happy to take some photos with dancers at this time as well if you'd like! Be sure to take all of your items and please help us keep our facilities clean, carrying out any trash you may see along the way.
