# Thank you for coming to the show!

**Did you know?** The winter show is an opportunity for your dancer to showcase what they have worked on for the last 4 months in their first grand scale performance. Our younger dancers feature holiday themed routines while our competition teams showcase portions of their competition routines. Winter Show also showcases some of our many traditions like the Cool Yule opener, Jazz Production, and amazing finales. Cheer loud for these amazing dancers!

## Have a wonderful holiday season
