Dancers

Dancers need to report to the cafeteria in correct performance attire.

Dancers should use the restroom before coming into the cafeteria. Please allow yourself a few extra minutes to use the restroom and put dance shoes on before it is the dancers arrival time.

Once dancers are dropped off in the cafeteria, we ask that they stay with their group until they are released by Miss Teagan. We don't want them wandering around or in the gym area without their instructor at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there are plenty of areas to park at the school.

ENTRANCE

We ask that families use the gym doors (door 5) located on the West side of the building.

ADMISSION

Tickets can only be purchased with cash. Please have cash available the day of as the ATM is across the building and will not be available for use.

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our last number will be the finale' which encompasses all classes K-7th. Our staff will stay on the gym floor with the K-1st grade dancers until parents come down onto the floor to pick them up. Please make sure that Miss Teagan sees that the dancer got with his/her parents. Older dancers are free to meet their parents in the bleachers after the finale'. Make sure to arrange a meeting place prior to dropping your dancer off. Our preschool dancers will sit with their families following their last performance.
