Dancers

Dancers should arrive **30** minutes prior to their show, dressed in their uniform with hair done. See the specifications for each class in this newsletter.

Dancers should report to the small gym attached to the main gym. Jazz dancers should arrive in Jazz uniforms and have their Kick uniform organized and ready for a quick change.

Once dancers are dropped off in the small gym area, we ask that they stay with their class until the show is over. We don't want them wandering around or in the gym area without their instructor/helper at anytime.

What to Expect

PARKING

With a large number of families arriving at the same time, parking can get crazy. However, there is more than enough parking available if you use the south lot.

ADMISSION

Remember there will be admission for the show. Please inform family and friends that may be attending so they are not surprised. American Funds Only Please!

SEATING

We will have a full crowd, but there will be enough seats for everyone. Our routines are choreographed to be viewed from above, so every seat in the gym is a good one. We ask that the floor seats are reserved for parents of our Tiny Kix (3-4yr olds) and families that have a member unable to climb in the bleachers.

DURING THE SHOW

Once the show has begun, please refrain from moving while a team is performing. If you must leave your seat, please do so in-between numbers. Applause is welcome. When you see something you like while the team is performing, let them know. A dance performance is an interactive experience.

AFTER THE SHOW

Our staff/helpers will stay with dancers until after the show. Please pick up K-3rd grade dancers following the show. Older dancers are free to meet their parents in the bleachers after the show.. Make sure to arrange a meeting place prior to dropping your dancer off. Our Tiny Kix dancers will sit with their families following their last performance.
