

Hello Competition Families,

Wow! What a great first competition! I am extremely proud of all teams for their first performances out on the competition floor. Huge shout out to all staff for stepping up to help make the day run smoothly. I am extremely proud of how everyone represented our studio and I am thankful for each and every one of you! Owatonna PROUD!

Now we get ready for this coming weekend- Bloomington Kennedy!

This is a three day event with SDS dancers on Friday-Saturday and our Team Competition on Sunday. There are different locations being used for the competition (main gym and theatre). PLEASE make sure you check the location your dancer is competing.

Earrings/Tights/Barrettes: We had a few kiddos without earrings or barrettes. If your dancer is in need PLEASE order them today so we can get them here for this weekend! They are listed on your regular class uniform order.
