Few Reminders:

- Practice location: Dance Studio. Head straight past the merch tables and turn left at the vending machines.
- Parents, please do NOT hang out in our practice spot. We will be using the space for practice and we will also have dancers changing.
- Wristbands will be given out by our staff or parent volunteers in our practice space
- If you can't find your dancer after the awards, we will bring them back to the practice space.
- Allow time to park and enter the building. The practice times listed above are when practice STARTS and dancers need to be ready to go.

Cheer LOUD and have FUN!
