

Hello,

Please read below for the updated Eden Prairie Information for this weekend- yahoo!

SDS DANCERS: We have not received routine numbers yet. I will send those via Remind text when we get them today! Not much has changed from previous schedules except they added in an awards category on Friday to get the minis out before 10pm.

There are 3 SDS competition locations on Friday. I will be running around between the 3. If I am not there to send your dancer out on the stage (I will always go with the youngest dancer) please make sure they are lined up 3-4 routines before theirs. **CHECK YOUR MUSIC.**

COMMUNITY CENTER - FRI SDS

-I have included a map of the facility at the community center. They only have 80 chairs in the gym, people CAN'T bring their own chair.

-Chute - dancers will follow the blue line behind the black backdrop for the chute. There are two racquetball courts they can use for practice. No spectators will be allowed backstage.

-Parking: reminder that parking is going to be a challenge, but it looks like the weather will be nice so using that park across the street and not arriving too early will be best.

-Awards will be in the Cambria room. There will be limited seating but the award ceremonies will be quick.

-Also, tell parents there is not a lot of room to linger around so they should keep that in mind when they are deciding what time to get to the facility.

High School - FRI + Saturday SDS

-We have added an award ceremony in the AUX for the Mini Elite and Classic soloist at the intermission so they do not have to wait until 9:45pm. Awards will be at 7:45pm!

-All Middle awards will be in the Main Gym at 9:45pm

TEAM DANCERS:

-Not much has changed from what was sent out yesterday via remind. Our Mini/Lycial time was adjusted so they will have time to change.

-There are TWO competition locations within the high school (aux gym and main gym) please know what location your dancer is competing in.

-Performances always come before awards. Example- if there is not a lot of time in between performances or locations- we will skip awards.

Remind Text:

If you did not get the schedule texted to you yesterday (our system was down so we sent it via text) you are NOT signed up. This is so important to do.

-Text the number 81010 and send the message @25jfkcomp

I saw a quote on instagram this morning (from a dance mom) and it said "Sometimes you win, sometimes you learn but every single time you get on that floor you grow. I hope my tiny dancer always remembers that growing as a dancer is way more important than winning every competition".

With that being said, cheer LOUD and have FUN! Lets go Owatonna!

-Victoria
