Welcome, Just For Kix Dancers and Families

Welcome to our Just For Kix Dance family. We are so glad you have trusted Forest City Just For Kix With your dancing needs. Here at Just For Kix we invite everyone to join us. We strive for excellence. We have many classes to offer so there is something for everyone! Inside this packet you will find all our policies. Please make sure to take time to read. We are constantly striving to learn and grow together. This dance program is important to me as a coach and director because every dancer gets to shine. I look forward to serving your families.

I

Sincerely,

McKayla Hadacek

**Spring Special Sessions- March 19th- April
23rd**

Dance Arrival and Class Time

- Enter through the west side of the Elementary school gym through door 38
- Use Restroom before class starts- I do not dismiss for bathroom needs since classes are so short
- When you come in put your stuff along the south wall and wait for class to start.
- - Classes are closed for parents- Parents can either sit in the hall or leave and come back
- If you plan to sit in the halls- DO Not Roam the halls.
-
-
- Class time:
 - Classes will get 5 minutes of running around before classes start to get out some extra energy they have from school.
 - We will start with attendance, learn and work on routine, activities, stretching, endurance, skills, team building, across the floors. This will be done in no particular order.
 - Portions of class will be recorded to be used to practice at home and will be uploaded on the BAND APP.
 - Dismissal is usually 5 minutes before the schedule time to allow for time to pass out anything I may have for class.,
 - A parent or guardian must come into class to pick up students. No student will leave the gym without a trusted person.
 - If your child will be going home with another dancer please let me know.

Attendance

Attendance is very important in dance. We can not be an effective team without everyone in practice. We hand out perfect attendance awards for dance.

These awards are handed to those who have attended every practice including our make up classes.

Extra practices- Please try and make it a priority to show up to dance class on make up classes- these classes are often missed due to other sports. These are one of the hardest nights to teach because we are usually missing half of the students. If you are in other sports, could you come to dance for half? and the other sport for the other half?

Payment Policy

Payments are due on the 1st of the month.

You can set up automatic payments if you wish.

If you are not on automatic Payments you will receive a text from the director on the 26th of each month to remind you of your upcoming payment. You will also receive a text on the 1st to remind you of a payment due that day. You will also receive a text on the 2nd if not paid. and then every other day after that until paid.

Just For Kix adds a \$10 late fee on the 10th.

Any dancer who is not paid for by the first practice after the 1st will be sat out in class.

Any dancer accounts that have not been paid for by the 15th will be dropped from class.

uniforms

ALL uniform stuff, uniform, tights, shoes, pants, skirts, hair pieces must be ordered by September 30th. Make sure you have Director McKayla help you measure for help on ordering sizes. Any uniform or shoe that does not fit needs to be returned to McKayla the following week at class with the size you would need. McKayla will take care of the shipping. If you prefer a faster return on uniforms that don't fit I suggest buying a new one and asking McKayla to get you a refun on the old ones. I do not send back uniforms or anything until I have a large box to send back, so the turn around time takes awhile.

I can not send back any tights. Shoes or uniforms that have been worn for more than just trying it on can also not be sent back!

We use these uniforms September - April. If you would like to get more wear out of your uniform, other than the performances you can wear them to dance class. It is your responsibility to keep them nice, if you choose to wear them and keep them looking good for performance. This will be a parent choice.

Weather Policy

- We Follow Forest city School district for weather related cancelations. I
- If there is no school or school lets out early on a dance night,we will not have dance.
 - If it is forecasted to get worse during class, Director will make a decision with what she thinks is best. If you feel it was the wrong decision or feel you don't feel safe, it is your families choice to on wether or not you will come that night. Sometimes my choices are not easy ones to make. So I do understand if you choose not to come on those nights.

Cancellation Policy

Sometimes we have to cancel class due to instructor illness or other things going on.

-We have cancelled classes in the past for sporting events like state basketball.

If it is a sporting event for why we have to cancel I will survey the class and see parents thoughts if they plan to attend the sporting event. The class may cancel if there is limited number or dancers going to show up.

Any cancellations that may happen, will be updated through text, email, band app and Facebook.

-I have prescheduled make up clases built in prior to the year starting which fall on Thursday . When we get closer to January -February after I get a feel for winter if we are ahead we will hold off on some make up classes. But this will be determined later on as the season goes. I have it so you are guarantee 32 classes.

All Cancellation calls will be made by 2:00 PM

Shows:

Halloween Show: This will be held in the Elementary school gym for parents and siblings only. Space is limited.

Winter and spring shows: Will be held at the Waldorf Hanson Field House. This will be a presale event only!

Show Dates:

Halloween Show: October 27th - Times will be given out at a later date

Winter Show- December 20th 1:30 pm

Spring Show- TBD at a later time

Competiton

Our competition starts in 2nd grade and goes through 12th grade Competition is a great time to show off our skills, and be judge on them. I don't take them to competition with the intent to win. We go to competition to get feed back to make us better dancers and for the experience. Winning is just an added bonus.

Competiton fees

-Comp fees are added later in the year. In 2025 we paid \$64 total to compete in 2 divisions at 1 even

-Hotel fee

-gas

-food

-suveniors

I will let you know when comp fees are due. If not paid by the due date your dancer will not be competing.

How many will we compete and where?

How many competitions we do and where will be based off of a general survey I will send out to parents. I am willing to take dancers to as many competitions as they please.

Awards

We do an awards banquet at the end of season. The date for that is usually set up at a later time.

Awards handed out:

-Year end award/pins

-Special session

Awards

-Perfect Attendance
