

# That Friend I Call Coach

~ Author Unknown

I finally learned  
what life is all about.  
The secret of success  
Comes hard no doubt.

I trained, I sweated,  
I ached, I cried  
And found out I got better  
Each time I tried.  
I was pushed, yelled at  
And preached at too.  
But the more that this happened  
The more I grew.

"You can be anything  
you want to be!"  
This voice kept shouting  
Out to me.  
Yet, who can I blame  
For such a daring approach---  
THAT GENERAL  
THAT COUNSELOR  
THAT FRIEND I CALL  
MY COACH.
