

Be the Dancer You Want to Be

Dear Dancer,

This summer, attend a Just For Kix Summer Camp where FUN and TEAMWORK are mixed with inspirational instructors and the skills and technique needed to make you stay current with the activity.

REACH HIGHER

Take your skills to the NEXT level and learn cutting-edge choreography in a fun, no-pressure learning environment. YOU select the class level and style that best fits your needs. And, what's even more FANTASTIC is meeting dancers and teams from all over. This will motivate you and it shows YOU what you CAN BE. It will empower you to reach higher.

LEARN FROM THE BEST

Carefully selected teachers are brought together, based on not only their skill and passion, but their ability to LEAD. You will experience many dance styles and engage with teachers who have their feet on the pulse of competitive dance! Only the best.

RALLY YOUR FRIENDS

Get your group together and take a road trip. Whether staying in the dorms or a hotel, you will enjoy a 3-night hotel sleep over with your TEAM. Be part of something greater than yourself. Be strong. Work hard. Work TOGETHER. The best days of your summer.

Just For Kix

You LOVE dance. It makes your head and HEART spin with joy.

And, when you see a dancer that makes your jaw drop, you say to yourself:

“I want that to be me. How’d they get so good?”

The short answer:
They went to CAMP!

But, not just any camp.

A Just For Kix Camp!
