

Prince and Princess

Just For Kix Preschool Camp

Detroit Lakes, Minnesota

July 11th, 2014

Camp Info.

The camp schedules for these camps feature 1 day-2 hour camps, have carefully planned dance routines based on basic motor skills and also will provide preschoolers with games and crafts.

- **COSTUME:** This is a costume dance camp, your child should dress like the theme: Regal Attire. Princess Dress.

SHOES: Your child must be able to dance in the shoes. (High heels...will not work.)

ACCESSORIES: Avoid having too much "stuff" as they tend to lose it. For instance at Princess/Prince camp, they can arrive with crowns, heels and jewelry but parents should take as they will lose it.

- **LABEL EVERYTHING** with your child's name.

- **SNACKS:** We will have a snack, but feel free to send your child's favorites if they are a picky eater.
- Make staff aware of any allergies or medical conditions.
- Parents are welcome to stay, but are free to go.
- In case of emergency, we will take down your cell phone at registration.
- If your child has separation anxiety, try to arrive early to let them get comfortable.
- At the beginning of camp the children are in a large group. We divide them into smaller groups for the activities.
- All activities are in small groups except the beginning and the end. (Which is the part you see.)
- **CAMP SHOW:** The show is a casual, short program. Each child will perform one short routine they learned at the camp. There is no charge for the show. Space is limited, you may wish to bring a lawn chair. Parents can also stand.
- At some locations there may be sales of merchandise.
