Solo, Small Group Competition.

If you want to compete you need to follow the rules.

Bring your prepared routine to camp to take center stage! It's a great opportunity to become a stronger performer. Every dancer is encouraged to participate.

RULES

Interested dancers must come to camp with their routine prepared to perform to music on the first day. Solo (1) & Small Groups (2-5) dancers compete in the grade they will be going into in the next school year. (This is based on the oldest member in a small group.)

- No gymnastics or suggestive choreography may be used.
- We also require respectable music that has clean lyrics.
- Routine can be no longer than 90 seconds and CANNOT BE A JUST FOR KIX CLASS ROUTINE.
- Dancers can compete in both Solo & Small Group categories, however there is a \$15 charge; per person, per category.

All dancers will receive medals. The finalists are announced at the final camp show and will then perform for trophies.*

* In situations where there are fewer dancers, only the winner may perform.
